Treatment and Corrections: Position vacant

Maintenance: Nick

-Backflow was installed and we are waiting for it to be approved by the city. Hardin and Associates is going to come look at it. Backflow needed to be installed because it was determined that a monthly inspection log would not be adequate.

-Air conditioner was fixed, but there was another issue, and Munson sent someone out right away.

Old Business: No old business

New Business

1. Mark mentioned that Karen (previous treasurer) told him that she is still getting Venmo notifications. We discussed that it was difficult to change because Karen's phone number is associated with the Venmo account. Kelly suggested trying to use a google voice account for the Venmo. Karly advised she will try that. Worst case scenario we will have to change the Venmo name. Joe asked about procedures for giving Venmo to new treasurers when they take over, and it was discussed that is in progress as we navigate removing Karen from the account. Karly mentioned she was able to change bank information, and has worked to make transitions smoother in the future.

Motion to close, and meeting was concluded.
