Old Business:

1. Update regarding Venmo: this has been resolved and Karen is no longer receiving notifications.
2. Chase made a motion to have a 7:00 am meeting on Saturday and Sunday. Diane seconded the motion. Chase advised that he would chair to start. **This motion did not move forward for a vote.**
3. Chase volunteered for and was elected PI/CPC chair. **PI/CPC chair is vacant again.**
4. Bylaws review committee met and bylaw review is finished. Mark typed up recommendations, however Kelly forgot to print and bring copies for this month, so this will be handled at next month's meeting.

New Business

1. Karen advised that if individuals are threatened they can make a police report. She advised that in order for parole to take action if there are ongoing issues, the correct process is for the group to send a letter on letterhead regarding the concerns.
2. Billy advised that he wants it noted that there was a time in the 90s where Texoma #1 was having frequent emergency group conscience meetings and they stopped. He advised that Texoma #1 doesn't have emergency group conscience meetings. Kelly advised that there is nothing in the bylaws that says emergency group conscience meetings can't be held. Billy asked Kelly if she remembered something from 3 years ago about decisions that were not in the bylaws, and Kelly advised that she does not. Diane advised that she called the emergency meeting because she can't make

decisions without group input. Richard advised that the emergency group conscience meeting was held because it was a pressing issue, and it was ideal to handle it prior to the men's meeting in case information from the meeting needed to be delivered at that meeting. Karen advised that she thinks it's not a group conscience issue and it's a legal issue, whoever it rises to the level of an issue if people are afraid someone is bringing a gun.

3. Mark made a motion to read the safety card at every meeting. Kelly requested an amendment to print the safety card and hang it up. Mark accepted the amendment, and Karly seconded.
4. Ken W. made a motion that guns are not allowed on the premises or in the building at any time. If a gun is brought to a meeting the individual with the gun will be asked to leave, and the authorities will be notified. Seconded by Rita.

Motion to close, and meeting was concluded.
