Old Business:

1. Discussion was had regarding collecting email addresses. It was discussed that a few months ago it was brought to group conscience and people were not too keen on disclosing their email addresses. It was reported that AJ previously volunteered to create a group email thread. Joe brought up that last names can be obtained from emails. It was discussed that there is a group email that people can email. -Shelley motioned to add to format that email addresses can be added to website (mailing list). Maria seconded. **Tabled until next month as the person who made the motion was not present.**

2. Joe made a motion that items considered general housekeeping do not need to be posted for 14 days prior to being voted on. Diane seconded. **Tabled until next month as the person who made the motion was not present.**

3. Literature expenditures vs. income was discussed. Margaret suggested to put the price list back up and announce that literature needs to be paid for. Kelly brought up that there is a place in the format for announcements and we can all announce it. Nick advised that he attends the 8:00 pm meeting and sometimes indigent people are given books. He advised that he is willing to pay for this. Richard advised that he has never seen a book be given away and that typically the member giving the book will usually pay for it. -Margaret made a motion to add to the format that literature is not free. Leigh seconded. **AJ re-entered this motion so that it can be voted on next month. Leigh seconded.**

4. Bylaws committee met, and will need to meet again 4/19 at 11:15 am to continue bylaws review.

New Business

1. AJ advised that she doesn't think our group should start doing this, but wanted to pass on that she attended Legacy group in Plano and they were asking for 3\$ contributions.

2. Tommylynn asked for an update on the white boards. Karly advised that she ordered the wrong size, and needs to re-order the correct size. She advised that insurance is due this month and costs \$700. She advised that she is waiting on big expenses, and we haven't had movement

on the soda machine. (Scotty) is looking for a good used model and needs help getting it. Tommylynn mentioned that we could sell our old machine so that someone can haul it away.

3. Nick advised that he has been having health issues and will do what he can for his service position, but may need to have other people assist. He advised that he will find someone to do stuff if he needs help.

4. It was brought up for information that District is at Texoma #1 today. Diane asked about getting pizza for district reimbursed. Kelly advised that she believes they reimburse \$20. Diane was also informed that the group will reimburse anything additional.
