

Texoma Group Conscience Meeting July 6, 2025

Opened with Serenity Prayer

Traditions were read

June's Meeting minutes were not read because there was miscommunication about the meeting notes. They will be posted and approved next month.

Treasurer Report, Karly

Note: Rent going up \$75 a month starting in March 2025

- Paid \$300 rent that was due because of increase, will be paying \$975 monthly forward

Donations (7th tradition, coffee, literature, Alanon rent): \$2888.57

7th Tradition: \$2706.14

Expenses: \$3116.99

Net Loss: (228.42)

Total Checking: \$3126.22

Prudent Reserve: \$7013.97

Donations to AA World Service, Dallas Central Office, NETA Area 65 and District 24 will be 0 this quarter because operating expenses must be over \$3200 to donate and ours is currently under.

GSR Report, Kelly B

- Nothing to report. Did not attend Area Meeting this month.
- Go to www.neta65.org for more information

Literature, Charles:

- All stocked up on books and chips

Supplies Report, Leigh:

- All stocked up on everything.

CPC/PI, Richard:

- Has been trying to reach out to area doctors about giving them literature, but having difficulties reaching them. Will need to go through the overseeing organization to get into some of the doctors.

Treatment/Corrections Report: No report, positions open.

Old Business:

Motion to pass the Orange Can funding literature for treatment centers was proposed.

- It was mentioned that at other groups the orange can is passed, but the basket donations go down, so the proposal was amended that we donate quarterly to this instead of passing the can around. It was voted on and unanimously (14 people) determined that 10% of our quarterly donations usually going to the Dallas Central Office

would go to the Orange Can Fund in the future. **The amended motion was unanimously passed.**

New Business:

- Hunter resigned as Group Chair effective immediately, so we need to elect a new chair.
- Nick volunteered for the Maintenance Position. He was unanimously elected by 14 members. A more specific description of this position will be determined, but it will include pest control, AC/HVAC filters, water, electrical, and emergencies.
